"We've made a contract with our senior citizens that we would provide them with Medicare and Social Security. As our next Senator, I will fight to protect them."

If you look behind the curtains,

Dick Blumenthal
has been **exaggerating**

about more than Vietnam
and special interest money.

DICK BLUMENTHAL

supported Washington's health care plan as a way to improve care in Connecticut,¹ but given **his reputation for exaggeration,** you should take a closer look for yourself.

YOU COULD LOSE YOUR DOCTOR

The bill Blumenthal supported forces some Americans out of their current health care plans whether they want to move or not.²

YOU MAY LOSE ACCESS TO MEDICARE SERVICES

The bill Blumenthal supported cuts Medicare by \$575 billion and cut access to seniors.²

YOUR TAXES MAY INCREASE

The bill Blumenthal supported increases taxes by \$569 billion.³

YOUR PREMIUMS COULD GO UP

The bill Blumenthal supported raises seniors' premiums and increases some health care premiums overall by 10-13%.⁴

SAY HELLO TO BIGGER GOVERNMENT

The cuts in benefits and premium increases are not being used to reduce the deficit, but instead to increase the size of government.⁵
